

## Design an Intergenerational Event

Use this sheet to plan your event.

<b>Format of Event/Activity</b> (e.g. sporting, memory café, awareness raising, arts, skills exchange, cookery, music, local history)	
<b>Venue</b> (remember to consider accessibility)	
<b>Time of Day</b>	
<b>Resources Required</b> (money, talent, materials)	
<b>Who would be involved?</b>	
<b>Why would this work?</b>	

Summarise your event in a 3 minute presentation. You can choose a traditional PowerPoint presentation, act out the event, or create a poster.
