The purpose of this form is to collect anonymous information about the people who visit our facility to take part in a research study. The National Institute for Health Research Manchester Clinical Research Facility (NIHR CRF) is committed to ensuring that studies are accessible to everyone regardless of race, gender, ability, religion, sexual orientation or age. The information you give on this form will help us comply with our policy of ensuring equality in our work. All information from this form will be treated confidentially and in line with the Data Protection Act. The information you provide will be kept and managed separately from any other information that you provide to us. We'd be really grateful if you can answer as many of the questions as you can.

**Please put a cross in relevant box, or write your answer in, if required**
